Re: Cross-listed courses  
Dear Professor Gingerich:

It is our understanding that the Graduate Academic Board's and Undergraduate Academic Board's attention to the issue of cross-listing courses is to ensure that all students are charged the same tuition and fees. We find it unfair to students who are enrolled in these cross-listed courses and asked to transfer to the appropriate prefix.

It is our understanding that the Graduate Academic Board's and Undergraduate Academic Board's authority or responsibility to resolve this issue. We would appreciate your input on how to resolve this problem.

Thank you for your time and consideration.

Sincerely,  

Anthony J. Paris, on behalf of the Graduate Academic Board (28 Oct 2016 GAB meeting motion to approve this item, second, and vote unanimous in favor)
